

LED Bulb MR16 3x1W 300lm GU5.3 GU10 E27 E14

QB-MR16-1W3-GU53-03

QB-MR16-1W3-GU10-03

QB-MR16-1W3-E27-03

QB-MR16-1W3 LED Bulb Adopts 3pcs 1Watt high power LED, brightness up to 300lm, operating at 12V AC or 85-265VAC with GU5.3, GU10, E27, E14 base. It is designed as a direct replacement of traditionally inefficient MR16 halogen lamps.

Product Features

- Anode oxide aluminum alloy housing
- High lumen flux output up to 300 lm for white
- CNC machined aluminum housing, better thermal dissipation than die-cast aluminum housings.
- Safety Standard: CE & RoHS
- Operation Temperature: -20°C to 40°C
- White/Warm White/Neutral White be optional
- Cell lense or transparent lense be optional

Applications

Landscape Accent/Spotlighting

Architectural Lighting

Artwork Lighting

Mood Lighting

Amusement Park Accent

Technical Specification

| QB-MR16-1W3 | | | | |
|---------------------|--------------------------------------|--------------------|---------|---------|
| Base Type | GU5.3 | GU10 | E14 | E27 |
| Input Voltage | 12V AC/DC | AC 85-265V 50/60Hz | | |
| Power Consumption | 3 Watt | | | |
| LED Type | Edison/Bridgelux/Cree LED | | | |
| LED Quantity | 3 pieces | | | |
| Luminous Flux | 150-300lm | | | |
| Color Temperature | 2,700-3,300K, 6,000-6,500K or Custom | | | |
| View Angle | 30 or 60 Degree | | | |
| Life Span | 30,000 Hours | | | |
| Size | 50*54mm | 50*63mm | 51*70mm | 50*60mm |
| Weight | 60g | 60g | 65g | 60g |
| Working Temperature | -20 to + 40 Degree Celsius | | | |
| Storage Temperature | -20 to +80 Degree Celsius | | | |

QiLED Lighting Co., Ltd is a leading company in designing and manufacturing the LED Light for years. QiLED main products are the LED Spotlight, LED Tube Light, LED Down light & LED Grow Light for home, commercial and industry. And we also provide LED Light ODM/ODM Service on LED Spotlight, LED Tube Light, LED Down light, LED Grow Light, LED Strip Light, LED Light Bar, etc.

In 2007, QiLED was founded in Shenzhen by a few lighting companies and a group of LED lighting engineers. After 2 years development, QiLED have already had a professional and experienced team to serve our clients and keep our LED Light products containing the leading technology. All of our products have CE & Rohs Certification. Especially, in 2009, Our LED Spotlight & LED Down light passed UL Certification as well.

QiLED Conformed to ISO9001:2000 Quality Management System, All QiLED LED Light products have CE, RoHS Certifications, LED Spotlight & LED Down light have UL Certification as well. Based on the professional design and development, we have already sold LED Spotlight & Other products to Europe, Australia, America and Other markets.

QiLED provides timely, reliable, accurate LED Light OEM/ODM. QiLED is located in Shenzhen that is the most advanced city in LED Light industry in the world. Experienced engineers, Excellent business team and Well-trained workers that let's understand your needs very well and quickly to reduce your time and money to market. Call us right now!
