

# LED Bulb MR16 3x2W 450lm

## GU5.3 GU10 E27 E14

QB-MR16-2W3-GU53-01

QB-MR16-2W3-GU10-01

QB-MR16-2W3-E27-01

QB-MR16-2W3 LED Bulb Adopts 3pcs 3W high power LED, brightness up to 450lm, operating at 12V AC or 85-265VAC with GU5.3, GU10, E27, E14 base. It is designed as a direct replacement of traditionally inefficient MR16 halogen lamps.

### Product Features

- Surface finish: Chrome-Plated
- High lumen output up to 450 lm for white
- CNC machined aluminum housing, better thermal dissipation than die-cast aluminum housings.
- Safety Standard: CE & RoHS
- Operation Temperature: -20°C to 40°C
- White/Warm White/Neutral White be optional

### Applications

Landscape Accent/Spotlighting

Architectural Lighting

Artwork Lighting

Mood Lighting

Amusement Park Accent

## Technical Specification

QB-MR16-2W3				
Base Type	GU5.3	GU10	E14	E27
Input Voltage	12VAC/DC	AC85-265V 50/60Hz		
Power Consumption	6 Watt			
LED Type	Bridgelux or Cree 3 Watt LED			
LED Quantity	3 pieces			
Luminous Flux	400-450 lm			
Color Temperature	2,700-3,300K, 6,000-6,500K or Custom			
View Angle	30 or 60 Degree			
Life Span	30,000 Hours			
Size	50*81mm	50*88mm	51*103mm	50*103mm
Weight	75g	80g	95g	95g
Working Temperature	-20 to +50 Degree Celsius			
Storage Temperature	-20 to +80 Degree Celsius			

QiLED Lighting Co., Ltd is a leading company in designing and manufacturing the LED Light for years. QiLED main products are the LED Spotlight, LED Tube Light, LED Down light & LED Grow Light for home, commercial and industry. And we also provide LED Light ODM/ODM Service on LED Spotlight, LED Tube Light, LED Down light, LED Grow Light, LED Strip Light, LED Light Bar, etc.

In 2007, QiLED was founded in Shenzhen by a few lighting companies and a group of LED lighting engineers. After 2 years development, QiLED have already had a professional and experienced team to serve our clients and keep our LED Light products containing the leading technology. All of our products have CE & Rohs Certification. Especially, in 2009, Our LED Spotlight & LED Down light passed UL Certification as well.

QiLED Conformed to ISO9001:2000 Quality Management System, All QiLED LED Light products have CE, RoHS Certifications, LED Spotlight & LED Down light have UL Certification as well. Based on the professional design and development, we have already sold LED Spotlight & Other products to Europe, Australia, America and Other markets.

QiLED provides timely, reliable, accurate LED Light OEM/ODM. QiLED is located in Shenzhen that is the most advanced city in LED Light industry in the world. Experienced engineers, Excellent business team and Well-trained workers that let's understand your needs very well and quickly to reduce your time and money to market. Call us right now!
